Trivia

We host trivia nights here at The Round Table, every Wednesday night, starting at 8:30pm. If your team answers the most questions correctly, you will win a gift coin from our Legacy program to spend the next time you visit us. Stay sharp by answering these sample questions, and make sure you join us every Wednesday:

What is the diameter of the Earth?

What is the oldest film ever made?

Who is the only heavyweight boxing champion to retire without ever being defeated?

Which knight of the round table was able to obtain the holy grail?

8,000 miles, Roundhay Garden Scene, Rocky Marciano, Sir Galahad

Pathfinder

Ask us about our Pathfinder league consisting of over twenty players in one huge adventure. The game takes place in the world of Imaria, where no magic is safe. We play every other Sunday, and we plan to keep running massively-multiplayer, pen and paper roleplaying campaigns just like this one.
